

Harlingen CISD Early Childhood Family Engagement Plan

| Activity | Description | Date |
|--|--|---|
| Texas Family Day | Opportunity for families to connect with various community services including social services, the Police Department, and various Harlingen CISD Departments. | August 16, 2016 |
| Health and Wellness Kickoff Event | At HCISD, we are committed to healthy and active lifestyles. Members from across the community are invited to the 4 th annual HCISD Health and Wellness Kickoff! In addition to the walk/run around Bogus Stadium, there will be a showcase of local programs and businesses that promote healthy lifestyles to families. This public event also included prizes and performances. | September 12, 2016 |
| Annual Parent Involvement District-Wide Conference | The purpose of this annual event is to keep parents abreast in areas that are important for student success. Topics range from influencing and motivating students, enriching reading and math strategies and the importance of school attendance. All sessions are conducted in English and Spanish. This event is held for the empowerment of Harlingen parents in partnership with Texas State Technical College. | November 5, 2016 |
| Family Literacy Night | Each elementary campus will be hosting a Family Literacy Night for Pre-kindergarten families. Each family will receive a Parent Bag which includes a literacy handbook, three books, a set of uppercase and lowercase letters and a set of math counters. Families will learn strategies compiled by the Children's Learning Institute and the UT Health Science Center Houston. | Please contact Campus for date and time |
| Ready Rosie | An early education tool that uses modeling and mobile technology to equip parents with strategies for teaching their children school readiness skills. | September-May |
| Family Fun Night | An engaging evening where parents learn the importance of music and poetry as the foundation for building early reading skills. A night of filled with music and movement. Families will participate in activities that promote the development of phonological awareness. | January 19, 2017 |
| Family Literacy Academy | A series of parent meeting that focus on building early literacy and math skills with pre-kindergarten students. These academies are in partnership with Texas Workforce Solutions Cameron County. Participating campuses are Austin, Jefferson, Crockett, and Travis Elementary. | Please contact Campus for date and time |
